主题: About Demo Session at ECOC2018

Dear Yongli,

Thank you for your effort. 16 Demos were accepted, from 27 submissions.

At the voting phase, Your demo was largely the most voted and went to the short list of three demos to be evaluated by the Demo TPC Committee (see <https://www.ecoc2018.org/authors/awards/> for award instructions). However, the committee (composed by the two Demo Chairs, all TPC Sub-Committee Chairs and the 3 TPC Chairs) finally decided for awarding Demo #12

I personally enjoyed a lot your demo, thank you so much for your hard work and successful achievements

Best regards,

Filippo
